Ontario is the original and one of the largest, Open Air Market in California, if not the U.S. This is the first location of our family and this is what is being talked about in Maclin Story. Founded in 1936, this site was primarily an auction of livestock that continues on Tuesdays each week. Goats, sheep, pigs and pigs are sold. Hence, the pig stylized the logo that Maclin uses to this day. Historically, our roots have been in various goods sold outside the auction barn to the people who attended. Initially, this involved animals: tools, jeans, eggs, pins, animal feed, etc. Ontario is on the edge of the largest agricultural area in the county. Dairy farms, corn, strawberry and other crops are still around this location. The market is just 5 minutes from 60 (Pomona) FRWY off Euclid. We are just 30 minutes from downtown Los Angeles, 20 minutes from the snowy San Gabriel Mountains, 40 minutes from nearby beaches and deserts. Today's market location covers 40 acres. Viewers can watch Tuesday's livestock auction. Pigs, goats, sheep, pigs and horses are sold. Open Tuesday, Saturday and Sunday, some seller sites are covered by our shopping crossings. Facilities include Americana fast food and local specialties. We have one of the longest full service bars in the state. More than 500 suppliers sell their goods on a given market day. The products sold are: live exotic and domestic birds, fresh cut flowers and plants, shoes, clothing for the whole family, art, home accessories, hairdressing services, carpets, pet goods, draperies and ceramics. It is quite rare that a buyer leaves the market without finding something of great value without high aerating. However, the supply and availability of certain goods change. Some suppliers were with our market than four decades. Some suppliers only come for one day. A truly consistent but ever-changing market. On weekends, guests can enjoy outdoor entertainment. Please note that there is a small entrance fee for a small entrance fee. Free parking. Seller information prices: Tuesday... New item \$20.00 Used Merchandise \$10.00 Saturday... New item \$25.00 Used Merchandise \$15.00 Sunday... New item \$30.00 Used item \$15.00 Visa, MC or Cash ONLY no checksClosed seats are \$5.00 more. Sellers can reserve a seat up to: 1. Prepayment in advance for the area covered by insurance only one day, week or one month depending on the desired time of use of the space. 2. Choose from the inventory of the space on a given day using the first come, first served for the covered area. All suppliers must arrive by 7:30 am and check in at the property manager's office. Pre-paid suppliers must be in their allocated spaces before 7:30 a.m. In the open area, sign up for the lottery between 5:30-6:30. Drive through Gate 10 near Riverside Drive. Parking in any designated area is allowed, however, we encourage sellers to park on the outskirts of the site to allow buyers convenient parking. All goods can be unloaded by bringing the vehicle closer to space. The maximum speed on the market is 3 m.p.h. All vehicles must be removed from the fire lanes and must be removed by 9:30 a.m. You cannot sell finished food or beverages. No weapons, no items that would be inappropriate for a family place and, of course, nothing illegal can be sold. In particular, branded and discounted goods, antiques, collectors' and crafts are allowed. California law requires that every seller selling goods has a resale license. Maclin Markets must have a copy of your license in the file until you sell it twice on the market. For this permission, contact your local State Compensation Council. A list of their offices can be found on the yellow pages of the local phone book. You will have to tell them where you are selling; please have this address available. Directions: 2 blocks south of pomoma highway. Exit Euclid Ave. head south. Turn left onto Riverside Drive. We are about 1 mile down Riverside Drive on the right side of the road.
